MEMBERSHIP AGREEMENT

***** I understand that I am responsible for payment of ambulance services. The annual \$59 membership fee for Life Care Plus limits my out-of-pocket cost related to ambulance transports covered by insurance (\$89 membership fee for those without insurance coverage) for medically necessary ground ambulance transportation provided by Life EMS.***

EFFECTIVE DATES:

I understand that my membership is effective upon receipt of full payment and signed membership contract, and coverage is through April 30th of the year following my sign-up.

IF I HAVE INSURANCE, WHO RECEIVES CLAIM PAYMENTS:

I understand that Life Care Plus is not insurance and that Life Care Plus will bill for payments from my insurer or third party agency, (e.g. Medicare, BCBS, etc.) including any supplemental or complementary insurance. If the insurance company sends me a check for services rendered by **LIFE EMS AMBULANCE**, I agree to promptly forward that check to **LIFE EMS AMBULANCE**. I hereby authorize payment directly to **LIFE EMS** for ambulance services otherwise payable to me. I authorize any holder of medical or other information about me, to release to the Centers for Medicare and Medicaid Services (CMS), its agents, other insurance carriers, or **LIFE EMS**, any information needed to determine these benefits in the past, now or in the future.

WHAT IS MEDICALLY NECESSARY:

I understand that Life Care Plus Membership Services are restricted to “medically necessary ambulance service”, defined as the specific need for ambulance service transportation to and from a hospital within the **LIFE EMS** service area in Kent, Ottawa, Kalamazoo, Newaygo, Lake, Ionia/Belding, Mason, Allegan counties, Georgetown/Hudsonville/Jamestown, Fennville areas and NE Van Buren County (specific coverage area description available from the LIFE EMS business office), where use of alternate forms of transportation (wheelchair van, private

car, taxi) would be medically inappropriate given the patient's condition. **LIFE EMS** may require physician certification of the medical necessity of ambulance transport. I understand this membership can be terminated by **LIFE EMS** if it has evidence of abuse of this program. Ambulance transport to such places as a physician's office is not covered.

IF SERVICES ARE NEEDED OUTSIDE THE LIFE EMS SERVICE AREA:

I understand that if long-distance, non-emergency ambulance services are required outside the LIFE EMS service area, additional fees may be charged to me by LIFE EMS.

ADDITIONAL SERVICES:

Wheelchair/Mobility Transportation and other services are available at special "member only" discounted rates. Please contact the business office for details.

Lift assistance is covered at two per membership year at no cost.

WHO IN MY HOME IS COVERED BY THIS PROGRAM:

The Life Care Plus program covers those residing in your household. A "household" is defined as self and spouse, or single parent, their children under the age of 26 years living at the same address, or a single individual household.

**I UNDERSTAND THAT I MUST USE THE SERVICES OF LIFE EMS AMBULANCE
IN ORDER TO BE ELIGIBLE FOR MEMBERSHIP BENEFITS.**

TERM OF THE MEMBERSHIP AGREEMENT:

I understand that my initial membership payment covers the time period from the date on which Life EMS receives my signed contract and my full payment, and continues until April 30th of the year following my sign-up. Membership fees are not refundable or transferable, even if I attempt to terminate during a term. Life EMS has the right to deny a membership based on current or previous account balances not satisfied.
