Life EMS is excited to begin the 23rd year of Camp 911. As with all of our camps, safety and fun are at the top of our list. We have a lot of interactive experiences and activities taught by community professionals. Please be aware the fire department demonstration is held at the end of the session (Around 10:30) and that usually entails shooting water out of the fire hose. It is rare that a child doesn't get wet at that point so please be prepared, extra clothes, a towel, and shoes are recommended.

All food, including snacks and drinks are provided by Life EMS Ambulance. If your child has a special diet, please send snacks and lunch as we cannot always accommodate special requests. Each child will receive a T-shirt and lots of information to share with family and friends. Any questions or concerns please send me an email.

If your child is to be dropped off and/or picked up by someone other than the parent or guardian, arrangements must be made prior to the day of camp.

Please contact [info@lifeems.com](mailto:info@lifeems.com) or 616-458-5433 with any questions.

Thank you
